NIFTY FUTURES

Nifty50 opened with a gap down owing to simmering geopolitical tensions but managed to remain afloat as it recouped some of the lost ground before signing off the session with a spinning top kind of indecisive formation with slightly longer shadows in both the directions," technically speaking, if the index shall regain its strength on a close above 10,900 levels which can then aid the bulls to expand the current rally towards 11,011 kinds of levels.
